

My Name _____

BACK IN
TIME

A long time ago
people came to
Missouri to find
otters. The fur
made warm
coats and hats.

Otter RAINCOAT

- Wax paper
- Paper towel
- Water

1. Lay the wax paper and paper towel on a table.
2. Place a drop of water on each.
3. What happens? Which one is like otter fur? Otter fur is oily and dry and warm in icy water.

Wild FACT

Otters hold their breath for 3 to 4 minutes underwater!
